It is provided with the understanding that the publisher is not engaged in rendering legal, accounting, or other professional service. The contents of these materials have not been subjected to peer review by the AICPA or any of its representatives. By incorporating the concepts, philosophies, suggestions and practice aids included with these materials into to a CPA firm's system of quality control, the user accepts full responsibility for their accuracy and completeness.

AUDIT STAFF TRAINING FOR NEW IN-CHARGE ACCOUNTANTS

ABOUT THE AUTHOR: LARRY L. PERRY, CPA

With 40 years' experience as a CPA, Larry is a nationally known author of accounting and auditing manuals, a professional continuing education instructor and author, and a consultant to CPA firms. He is managing member of CPA Firm Support Services, LLC, (www.cpafirmssupport.com), an organization providing live webcasts and self-study courses to small- to medium-sized CPA firms. Larry writes a weekly article on AccountingWeb.com, *Today's World of Audits*, focusing on accounting and auditing subjects applicable to small- and medium-sized entities.
